

A 31 DAY DEVOTIONAL FOR THE FAB WARRIOR MOMS

PREFACE

Before the *'non-moms'* check out, this is really for ALL WOMEN.

Every woman carries within her more than boys and girls. So yea, we will birth kids BUT we will also birth Businesses, Careers, Ministries, Conglomerates, Ideas, Dreams, and so on.

EVERY SEED that GOD has so graciously placed on the inside of us, we will deliver, and checkmate the devil, on our way to HEAVEN.

Why did I write this Devotional?

I wanted to be very intentional about my role as a Woman and so I decided to create a Devotional for myself with which I could pray systematically. At some point, God told me that it wasn't just for me. I am honoured I *get* to share it with *yawl*. Every line has come from a deeply personal place of prayer, coloured with teachings from some of my most beautiful Mentors and Teachers whom I reference within the pages of the Devotional.

Scriptures within this Devotional have come from the Easy-to-Read Version (ERV), Amplified version, The MESSAGE, New Living Translation (NLT), New King James Version, American KING James version and the New International Version (NIV).

I would ask that you take at least 15mins daily to really open up your Spirit and ENJOY this Devotional. Don't just read and run off, but rather open your Bible and read, meditate, search out related Scriptures, pray in the Spirit and in your understanding, and just generally lean all the way in to what God is set to do in and through you. And if you can do it in the company of *'two or more'* that would be awesome!!!

While I want you to ENJOY this Devotional daily, I don't want it to replace your personal time with God. Nah. This is a Guide to praying for your home which you have been called to build. Our Quiet time is really where we draw strength for the WORK from. So please enjoy one without neglecting the other.

I have made this very easy to read. I share a Scripture and then a short Exhortation which I hope will push us all to Prayers.

So strap yourself in Darling. This promises to be quite THE RIDE OF DAYS, 31days precisely.

DAY 1 - KO SERE NI MOSCOW

'...for King Herod is going to try to KILL the Child. That same night, Joseph left for Egypt with Mary and the baby Jesus...'
Matt 2: 13,14

One of the GOD-FRAMING quotes in my life is from Debola Deji-Kurunmi (DDK).

'...what is confronting you is SERIOUS business. You may NOT be paying attention to it BUT it is paying SERIOUS attention to you...'

There is a REAL devil, Sweetheart and he is still going after PRECIOUS SEED like the ones you carry - Your Husband, Kids, Career, Ministry, Businesses, Visions, etc. We cannot afford to be ignorant of his devices or give it another *casual* name thereby downplaying it. We are not on a Disney cruise ship guys, we are on a BATTLEFIELD!!! THIS.IS.WAR and the devil is coming FULL ON!!! We have to take the offensive and FIGHT WOMAN, FIGHT.

Because, it is generally too cold to be kidding around in Moscow.

DAY 2 - #NOTIME

'...You will bear a Son and name Him JOHN...He will turn MANY to the Lord...and make ready a people prepared for the LORD...'
Luke 1: 13-17

I spent almost 3years trying to get admitted to study Pharmacy and then another 4years FRUSTRATED in Pharmacy school before I would finally be advised to withdraw. I would ultimately go to the SOCIAL SCIENCES, enjoy a smooth ride, graduate, not just with a FIRST CLASS but as BEST GRADUATING STUDENT. As a Mom today, I don't want that for any of my kids. No time to waste time ooo. I want to download from Heaven *accurately* that which they have been called to do, right into their Spirits, EARLY in life so they can RUN with it...

DAY 3 - JUST LIKE MARY

But His Mother Mary treasured and closely and persistently guarded ALL these things in her heart... Luke 2:51

My GOOD NEWS Bible, a gift from one of my BEST friends Valerie, is exciting to use because of the many illustrations within (and because I really am a Baby lol). The Scripture is illustrated with Mary seated, chin in hand and deep in thought. It speaks TONS to my Spirit. *What has God told me about my seed?* I need to spend quality time pondering on it, MEDITATING, so that when there are manifestations contrary to that in my Children, I know just how to FIGHT!!! And so should you!!!

DAY 4 - JUST LIKE JESUS

And Jesus increased in wisdom and in stature and years and in favour with God and man... Luke 2:52

This Scripture is a personal favourite of mine and many other Mamas I know. I mean, how delightful it must have been for Mary to watch her SEED come alive and then grow in WISDOM (knowing the NEXT correct step to take), in STATURE (achieving all his milestones at the right time. NO DELAYS) and then is FAVOURED (beloved) not just with God but also by all the people everywhere he went. If that is not legit #MommyGoals for you, I don't see what else should be. I want my seed to grow JUST LIKE JESUS!!!

DAY 5 - KNOWLEDGE OF WITTY INVENTIONS

I, Wisdom dwell with knowledge. I know where to discover knowledge and discernment... Proverbs 8:12

My sister always prays that her kids have 'knowledge of witty inventions'. I thought it was a really cool phrase until I realised she lifted it wholly from the Bible (American KJV). Does it remotely cross your mind that your kid can actually find the cure to Cancer? Or the solution to Nigeria's incessant power problems? Truth is, there is a problem out there that your kids can find solution to and so we can pray for *heightened superior intelligence and extraordinary abilities* in them making them *problem solvers* in this world that so desperately needs it.

DAY 6 - STRENGTH TO CONCEIVE SEED

By Faith, Sarah received physical power, strength, to conceive seed... Hebrews 11:11a

Mama, much more than physical children, there are other seeds waiting to be born through you. Some of these seeds are so heavy duty, you need physical power to even conceive, that is fully understand it. I am talking about those ideas dropping in your Spirit that require heavy mental activities both during the day and at night. And anyone who constantly engages in high level mental work soon realises just how physical exhausting it can get, but THANK GOD because by FAITH, we can receive physical power to conceive those SEEDS of Greatness in Jesus name, AMEN!!!

DAY 7 - NO MORE HAEMORRHAGE!!!**...and she bore a CHILD...****Hebrews11:11b**

Oh it is one thing to conceive the most BRILLIANT Business, Career or Ministry ideas but it is another thing to see that idea assume LIFE. I have lost count of the many DAZZLING ideas people have shared with me, or I have shared with others, that got haemorrhaged along the way as a result of Finances, ignorance, laziness or even NEPA. Oh but today we say NO MORE haemorrhaged seeds and declare that the same Faith and Strength that conceived our God-given seeds abundantly avails to nurture that seed until we bear that 'CHILD' in JESUS name, AMEN.

DAY 8 - ...OF GOD!!!**The Seed that is born of you shall be OF GOD...****Luke 1:35**

Sister, may I engage you in a mental stretch? Just think how LIMITLESS and UNSTOPPABLE anything 'OF GOD' is. I mean, if I birthed it, be it a business, a ministry or children, it is OF GOD. It cannot die prematurely, neither can it be mediocre. Weak, Wimpy, or Dumb? Not my Seed. It can neither be associated with nor affected by Regression. *Olodo?* Never!!! As with all things OF GOD, my Seeds stay progressive, thriving from Strength to Strength, Grace to Grace and Glory to Glory. It is born of GOD guys, IT HAS ALREADY OVERCOME THE WORLD!!! Hallelujah!!
